

POWER ON PAR

Tee off with Yuasa golf batteries

When it comes to batteries, Yuasa are the number one choice for high quality, reliability and performance.

With their high cyclic performance, Absorbed Glass Mat (AGM) construction and long life, Yuasa's REC range are perfect for PowaKaddys and electric golf trolleys.

So the next time you're on the golf course, you can rely on Yuasa from the first tee to the 18th green.
